'Love your neighbour as yourself' (Luke 10:27) and so, with God by our side, we love, learn and flourish together.

Dear Parents,

We have enjoyed a great start to the Spring Term with a number of lovely events.

Courage Class thoroughly enjoyed their visit to the Life Exhibition recently where they explored Christian beliefs about Jesus through a number of immersive activities. They have also been fortunate enough to be invited to Marlborough College this term to carry out some Forest School sessions alongside some of the students there, whilst still accessing our own on-site provision; such a great opportunity of which we are most grateful to Mrs Sandall for organising.

Grateful thanks to Miss Sibun who organised another wonderful World Book Day, which culminated with a special staff performance of 'Gran Can You Rap?' The costumes were again highly impressive this year and we thank you all for your efforts.

As we head into the summer, we are very excited to hold our annual sports afternoon and picnic with you all; we have listened to feedback from last year, so hope that the dates work better for the majority of you – they are listed at the side of this newsletter.

You will also note that Enrichment Week is again planned, so please keep an eye out for all the information yet to come!

It has been very special seeing so much indoor PE, particularly dance and gym, taking place in The Heart over the last couple of months, particularly as the weather has been so wet. I was lucky enough to partake in a Joy Class session recently where learning, energy and smiles were aplenty! We are always on the lookout for sports providers, so if you, or anyone you know, might like to run an after-school club of this kind, please do get in touch; please note that a full DBS check would be required.

Our lovely Mrs Nash will be cutting down her hours after Easter, meaning we have vacancies at our Wraparound Care and within the Premises Cleaning team; please do get in touch if you are interested in joining us.

Whilst the majority of people show great consideration and support of the on-going parking issues in the village, there remains some cause of concern around some of the choices that are made by members of our community; in the past, this behaviour has led to near-miss accidents and we fear, if we don't all work together, something extremely serious could unfold. Please be mindful of where you park; please do not park on the zig zag lines on the blind bend or block residents drives and pathways. We appreciate more than ever how frustrating and challenging the situation is, but if we can all work together and keep the safety of our children at the forefront of our minds at all times it would be appreciated.

Our 100 Club for January, February and March will take place at the end of term. There is still time if you would like to join. We thank you for your continued support.

With very best wishes, Mrs Bekker Wrench
