'Love your neighbour as yourself'(Luke 10:27) and so, with God by our side, we love, learn and flourish together.

Dear Parents,

Grateful thanks go to everyone who came out and supported our recent Autumn Fair, it was another great success as a result of our CHIPS team working so hard in putting it together; we are delighted to announce that the money raised will go towards much needed resources as well as developing our KS1 area outside of Joy Class this year

Congratulations go to our well-deserving recipients of this term's Afternoon Tea, Arlo,

Martha, Stanley, Ezra, Edith and Imogen P; we couldn't be prouder of you! We also say a very well done to the winners of our special cup awards, Archie and Nell. They have each excelled in living out our school values and highlighting to everyone the importance of doing so.

We were absolutely thrilled to win this year's Devizes In Bloom competition after creating a

beautiful new garden space in our Early Years area. We were very grateful to Mrs Steel for coming in and presenting us with our award.

Thank you to everyone who came along to the most recent Learning from the Heart sessions; the children are always so delighted to share their learning and classrooms with you, and we really appreciate you finding the time to do so as know it isn't always easy.

Some of our children have been very fortunate to do a baking session with our Foundation Governor, Mrs Sibson, recently. They made delicious chocolate chip cookies, along with a recipe and packaging; such a lovely opportunity for some design and

technology learning.

Year 6 thoroughly enjoyed their time at Dauntsey School recently, exploring all things scientific! They returned to school full of knowledge and a new found love for Bunsen Burners! As you will have noticed, our newly developed indoor space is reaching it's completion; we will be having an official opening next term, of which details will be with you soon.

The whole school, from ages 2-11, took part in our very special sponsored 'Spire Stomp' this week. Reverend Richard sent us all on our way after a blessing in the churchyard. We were so proud of every child's resilience and modelling of our school values whilst out in the local community and visiting some beautiful places of worship. We cannot wait to share with you the total amount raised.

Finally, our grateful thanks go to you all for the incredibly kind donations you made towards our Harvest collection in aid of Devizes Food Bank. We are always so overwhelmed by what we achieve together at this time of year, highlighting not just a school, but a community with a very big heart!

Wishing you all a lovely half term break and we'll look forward to seeing you again on Tuesday 4th November.

With very best wishes, Mrs Bekker Wrench
