'Love your neighbour as yourself' (Luke 10:27) and so, with God by our side, we love, learn and flourish together.

Dear Parents,

We couldn't have been more delighted to welcome the return of the sunshine recently just as we launched our new 'Chirton Playtime Project.' Following extensive research, surveys and training, the children now have a greater array of activities and resources outside at breaktimes, which further promote physical activity as well as enhanced wellbeing.

Our youngest children in Early Years were very lucky to visit a family farm in the vicinity of the village recently, where they met new baby lambs, cows, and chickens. They were so excited to share all of their experiences when they returned to school! Grateful thanks to Mr and Mrs Harding for inviting us in.

We are currently looking for a part-time cleaner, with hours to suit the applicant towards the end of each week. If you, or anyone you know, might be interested, do get in touch.

Unbelievably, it has been a year since we brought all of our younger children together to form our EYFS Unit. We couldn't be prouder of its success and feel so fortunate to have such a dedicated and passionate team, who go above and beyond to provide the very best start in learning-life for children from age 2-5. In celebration, we will be showcasing our team and provision over the term. We have some spaces available, so if you would like to find out more about our outstanding offer, please do arrange to come and see us!

As part of our PE curriculum, children in KS2 have returned to swimming lessons this term at Pewsey Vale Pool. We couldn't be prouder of the way in which every child has approached their swimming lessons with confidence and resilience, whilst representing our school superbly. Thank you to all our helpers who ensure the smooth running of every session.

And finally, grateful thanks to Mr Saint for the kind donation of much needed tools.

With very best wishes

Mrs Bekker Wrench
